

FUNCTION HIRE TERMS & CONDITIONS

Audio Visual

Our internal sound system is available for all events so feel free to bring in an iPod or similar equipment. DJ's are to provide their own equipment including desks, cables and speakers. There is wifi access available. Any alternative forms of audio should be discussed with management prior to event.

Noise Restrictions

Amplified music such as DJs and live musicians are allowed at the venue and can play to a moderate level which will be monitored by the venue manager. Music can be played until midnight.

Liquor Licensing

Las Chicas is covered under 'The Liquor Control Reform Act 1998.' All liquor must be served by Las Chicas RSA qualified staff. Any guests that are abusing their alcohol consumption will be denied service.

External Catering

No external food or drinks are permitted onto the premises unless authorised by management. We do allow kosher caterers and other specialised orders like cakes to be brought in; this may result in an additional fee being charged, please check with management for costs.
